SEMINAR REPORT
Held on 08.02.2025
Venue: Room No. 9
P. B. College, Gauripur
Topic: "Importance of Logic & Reasoning in Everyday Life"

A Classroom Seminar was held on 08-02-2025 in Room No. 9 of P. B. College, Gauripur on the topic: "Importance of Logic & Reasoning in Everyday Life."

Logic & Reasoning is crucial for students as it equips them with the ability to analyze information, solve problems effectively, make informed decisions, and navigate complex situations in both academic pursuits and everyday life, making it a vital skill for success in course and beyond; it helps students to critically evaluate information, identify patterns, draw conclusions, and effectively communicate their thoughts, which are essential for learning across various subjects.

Outcome of the Seminar: -

This topic is included in the Skilled Enhancement Course (Logic & Reasoning) of the new Four Year Under Graduate Program (FYUGP) Syllabus of Gauhati University for both Major & Minor. So the lecture was delivered by Dr Aminur Islam Sk, Associate Professor & Head, Department of Philosophy, P. B. College, Gauripur is beneficial for both group of the students. His way of expression and illustration attracted a number of students. Some of students also presented seminar papers on the topic. We, the faculty members of the department, are very happy to see the attraction as well as the presentation of the students. We hope that we will be helpful for the students in near future.
