HIMEN DAS (b. 1992), a Ph.D. Scholar (History) of Pondicherry University is interested in writing the account of contact & conflict between the countries of the East and the West. His earlier three books, viz., History: East and West, Indo-American Religious Relations: 1793-1893 A.D. and History of Western Trade and Education in India are the testimonies of it. This is his fourth book in the arena of same field. His research topic for Ph.D. is also bordering and echoing on this horizon—Anti-British Resistance in North-East India.

He hails from Guwahati in the state of Assam (India).
