EXTENSION ACTIVITIES & OUTREACH PROGRAMS:

Conducted by the Institution through NSS/ NCC/RED CROSS/YRC etc. (Including the programmes such as Swachh Bharat, AIDS Awareness, Gender Issues etc. and those organised in collaboration with industry, community and NGOs during the last five years)

SESSION: 2019-2020

Date : 02.10.2019
Programme : Cleanliness Drive Inn and Outside i.e neighbouring areas
Organized by : NCC Unit of Pramathesh Barua College

NCC Cadets of the college are cleaning the classroom on 02.10.2019

The NCC Cadets of the college organized a cleanliness drive encompassing both the college premises and nearby areas. Inspired by Gandhi's principles of cleanliness and community service the initiative aimed to promote hygiene and cleanliness among the members of neighbourhood community. Although there were no photos of the road cleaning in front of the college, the students diligently cleaned the college interiors and extended their efforts to sweep the parking shed outside. They focused on educating others about maintaining cleanliness by collecting plastic wrappers of chocolates, gutka, and cigarette packets, emphasizing the importance of not using tobacco in public spaces and disposing of waste responsibly. The primary goal of the drive was to raise awareness about maintaining a clean environment and encouraging the use of bins for proper waste disposal, ensuring the locality remains clean and pleasant.

From January 18 to February 8, 2020, a volunteer support program was conducted by a college for operated patients treated under the "Life Line Express: Impact India Foundation" initiative. The program spanned twenty days and aimed to provide free medical support to people across Dhubri. The hospital train hosted senior surgeons, doctors, nurses, anaesthetists, ward boys, cleaners, and other volunteers who dedicated their services. College students, along with faculty members, actively volunteered during this period, assisting patients and supporting the medical team. The college authorities facilitated the initiative by providing classrooms and an auditorium hall for patient accommodation, ensuring they were under continuous medical supervision post-operation.
