The IQAC and Economics department of P.B. College Gauripur, in collaboration with Electronics and ICT Academy IIT Guwahati, conducted a 7-day Faculty Development Programme from November 12 to November 18, 2018. Prof. S.S. Shanthakumari, Resource person, delivered a thorough and accessible talk on data exploration and analysis using SPSS. Her presentation was designed to be easily understood by participants from various backgrounds. She provided detailed guidance on utilizing the Statistical Package for Social Sciences, ensuring that attendees gained a solid grasp of the subject matter. This programme was attended by faculty members from P.B. College Gauripur and teachers from various colleges across Dhubri District. The primary objective of the FDP was to impart knowledge on Data Exploration and Analysis using SPSS. The programme successfully achieved its goal of enhancing participants' skills in SPSS for data analysis.
