P.B. College Gauripur organized a three-day workshop titled "Acting for Creativity" from January 23 to January 25, 2019. The workshop was conceptualized and coordinated by Diganta Biswas, Assistant Professor in the Department of Accountancy at the college.

Jadu Das, a former student of the National School of Drama in New Delhi, was invited as the resource person for the workshop. The primary objective of the workshop was to encourage students to dedicate some time to creativity, thus breaking away from the monotony of academic pursuits.

The workshop was well-received by the students who actively participated in the interactive sessions, which facilitated participatory learning. It provided them with a platform to explore their creative potential through acting, under the guidance of an experienced professional from the field.
