Undertaking

I do hereby undertake, in respect of the **Metric 6.3.2** 'percentage of teachers provided with financial support to attend conferences//workshops and towards membership of professional bodies during the last five years', that the college is committed to promote professional training for the faculty members as well as the non-teaching staff of the college. The college organizes seminar, workshop and professional development training programmes in its own fund from time to time. During the assessment period from 2018-19 to 2022-23, no individual teachers have applied for any assistance to attend FDP, seminar and conferences. The college is ready to provide such financial assistance as per the decision of the Governing Body of the college.
